FOR IMMEDIATE RELEASE

Dominguez Rancho Adobe Museum Presents Earth Day Fair

(Rancho Dominguez, CA)—The Dominguez Rancho Adobe Museum will host an Earth Day Fair on Saturday, April 4th, 2020, from 11am to 4pm. The mission of this event is to encourage attendees to think a bit more deeply about the state of our planet and what we, as individuals and as a community, can do about it. The fair will consist of activities and exhibits aimed at providing environmental education and awareness to the community.

The day's events will include: educational resource booths from local vendors and organizations, hands-on children's activities, docent-led museum and garden tours, a composting workshop, as well as educational talks from exhibitors and members of the Dominguez Rancho Adobe Museum. The fair will conclude with a tree planting ceremony at 3:30pm. Local food vendors will also be on site.

This is an all ages event that is free and open to the public. Events like this are a fun way to bring our community together and to inspire us to be more mindful of the well-being of this planet that we all call home.

Please RSVP with Mercedes Hernandez, Educational Coordinator at 310-603-0088 or by email at mercedes.hernandez@dominguezrancho.org.

The Dominguez Rancho Adobe Museum is located at 18127 South Alameda Street, Rancho Dominguez, CA 90220.

About The Dominguez Rancho Adobe Museum

The mission of the friends of Rancho San Pedro is to preserve and increase community awareness of the Dominguez family, Homestead adobe, and the Rancho San Pedro, the first Spanish land grant in California. This is accomplished through educational programs and the operation of the Dominguez Rancho Adobe Museum.
