FOR IMMEDIATE RELEASE

Dominguez Rancho Adobe Museum Rose Garden Bloom Tour

(Rancho Dominguez, CA)—The Dominguez Rancho Adobe Museum Rose Garden has a nice flush of new blooms. The bloom should continue throughout the month. During the month of January with the help of many dedicated volunteers we pruned all of the roses. Housed upon its seventeenth acre grounds, visitors are invited to tour the beautiful garden bloom with our career nurseryman, arborist and current Rose Garden Curator, Michael Horibe. Visit more than once as our gardens are always changing with different flowers blooming throughout the year.

The Dominguez Rancho Adobe Museum is pleased to open its garden to visitors for docent guided garden tours. Docent guided tours will be held on Saturday, May 16, 2020 from 11:30pm to 1pm.

The public is invited to attend the free garden tour and is encouraged to take a tour of the Dominguez Rancho Adobe Museum.

The Dominguez Rancho Adobe Museum is Located at 18127 South Alameda Street, Rancho Dominguez, CA 90220.
